

CLOUDFORCE ENTERPRISE DISASTER RECOVERY SERVICES AGREEMENT

Effective Date: April 1, 2025. This Agreement is entered into between CloudForce Systems Inc. and Customer. Vendor shall provide Disaster Recovery as a Service (DRaaS), cross-region replication, failover orchestration, recovery testing, cyber-resilience monitoring, and business continuity support. SERVICES: 99.95% availability commitment. RTO 4 hours. RPO 15 minutes. Two annual DR tests included. Monthly service review meetings. Dedicated Technical Account Manager. FEES: USD 28,000/month plus storage and replication consumption charges. Annual increases capped at 8%. SECURITY: Encryption at rest and in transit, MFA, SIEM monitoring, annual penetration tests, quarterly vulnerability assessments. DATA: Customer retains ownership of all data. Vendor may process data solely to deliver services. LIABILITY: Limited to fees paid during preceding 12 months except for fraud, willful misconduct, and confidentiality breaches. TERM: 36 months. Customer may terminate after month 18 with 90 days notice. GOVERNING LAW: Delaware, USA.
